

Rain Barrel and Cistern Rebate Form

Requirements

- Applicant must be a JCSA residential water customer. Account balance must be current.
- Rain barrel(s), rain cistern, and/or materials must be purchased and installed on or after January 1, 2010 to be eligible for the rebate.
- Applicant is solely responsible for purchase and installation arrangements and payments.
- Applicant agrees to allow JCSA inspector access to the premises in order to verify installation if selected for random inspection.
- Survey and form must be completed in their entirety and copy of receipt enclosed to be eligible for rain barrel & cistern rebate.
- JCSA will refund purchase price of up to four rain barrels or materials to build them, with a maximum of \$25 per rain barrel.
- For purchase and installation of one rain cistern of at least 1,000 gallon capacity, JCSA will rebate 1/4 of your JCSA Lawn Irrigation System Fee, not exceeding the cost of the rain cistern, if you remain connected to JCSA water for irrigation. JCSA will rebate half of your JCSA Lawn Irrigation System Fee, not exceeding the cost of the rain cistern, if you do not connect to or disconnect from JCSA water for irrigation. If you paid your Lawn Irrigation System Fee, you will receive a refund in the amounts described above. For information on our Lawn Irrigation System Fee, go to the JCSA homepage at www.jccEgov.com/jcsa and click on "Rates and Charges."
- Rebate checks will be processed within 4-8 weeks of receipt.

Disclaimer

I certify that the listed rain barrel(s)/cistern has/have been purchased and installed for use at the above named address and meet the requirements of the James City Service Authority (JCSA) Rain Barrel and Cistern Rebate Program. I understand that if I am required by my neighborhood to fulfill the actions rebated, then I am not eligible for the rebate. I also acknowledge that my home may be subject to an inspection by the JCSA or its agent to verify the information provided herein. I certify that I understand whether the water that is or has been contained in my rainwater harvesting system is potable and understand appropriate uses for that water. If I am using my rain barrel or cistern water for potable uses, I have contacted the Williamsburg Area Environmental Health Office and I understand the safety requirements. I understand that I will not be eligible for the submeter credit for landscape irrigation if I do not connect to or disconnect from JCSA water for irrigation.

The JCSA may deny any application that does not meet program requirements. The JCSA does not guarantee any of the benefits in the preceding guide; nor does it warranty rain barrel(s)/cistern or associated products to be free of defects, the quality of the workmanship, and suitability of the premises for the installation of products. The applicant will hold harmless James City County, JCSA, its agents, directors, officers, and employees against all loss, damage, expense and liability arising out of or in any way connected to the installation of the above rain barrel(s)/cistern or associated products. The JCSA reserves the right to change or terminate this program at any time.
